## SETTY

BASIC

#### setty POWER BANK 5000 mAh

Travel battery with a capacity of 5000 mAh is equipped with two USB outputs, which allow you to charge two devices at the same time. Thanks to the power bank with a big capacity, you don't have to worry about discharged battery in your phone or other mobile devices. Setty power bank will surely be useful during a longer trip or while camping. Nowadays, smartphones usually are equipped with batteries with a capacity of 2000-3000 mAh, so it is possible to charge them more than once with a travel battery.

The device is handy and convenient in use. Compact dimensions and light weight are it's advantages.

#### Catalog index: GSM043159

#### WAY OF USE

#### SPECYFICATION

Capacity: 5000 mAh Battery type: lithium-ion Input voltage: 5 V DC 1 A Output voltage: 5 V DC USB 1: 1 A, USB 2: 1 A Dimensions: 64,2 x 14,2 x 98,2 mm Output: 2x USB

#### Charge indicator: 4 LEDs

Charging time: 4 hours

**Weight:** 107 g

power bank, micro USB cable

## POWER BANK 10 000 mAh

setty

Travel battery with a capacity of 10000 mAh is equipped with two USB outputs, which allow you to charge two devices at the same time. Thanks to the power bank with a big capacity, you don't have to worry about discharged battery in your phone or other mobile devices. Setty power bank will surely be useful during a longer trip or while camping. Nowadays, smartphones usually are equipped with batteries with a capacity of 2000-3000 mAh, so it is possible to charge them more than once using the 10000 mAh power bank.

The device is handy and convenient in use. It's dimensions and weight are a compromise between comfort of usage and performance of the battery.

The set includes a micro USB cable.

#### Catalog index: GSM043160

#### WAY OF USE

#### SPECYFICATION

Capacity: 10000 mAh Battery type: lithium-ion Input voltage: 5 V DC 2 A Output voltage: 5 V DC, USB 1: 2,1 A, USB 2: 2,1 A Dimensions: 68,9 x 16,3 x 135,5 mm Output: 2x USB Charge indicator: 4 LEDs Charging time: 4 hours Weight: 204 g

### POWER BANK 20 000 mAh

setty

Travel battery with a capacity of 20000 mAh is equipped with two USB outputs, which allow you to charge two devices at the same time. Thanks to the power bank with a big capacity, you don't have to worry about discharged battery in your phone or other mobile devices. Setty power bank will surely be useful during a longer trip or while camping. Nowadays, smartphones usually are equipped with batteries with a capacity of 2000-3000 mAh, so it is possible to charge them many times using the 20000 mAh power bank.

The device is handy and convenient in use. It's dimensions and weight are a compromise between comfort of usage and performance of the battery.

The set includes a micro USB cable.

#### Catalog index: GSM043161

#### WAY OF USE

### WIRED HEADSET WITH MAGNETIC ELEMENTS

Wire headphones Setty. Each creature has its own personality, but they share love for music and good sound. They are delicate to ears due to padded surface and limitation of volume to 85 dB. They eagerly share music with other devices. They have interchangeable ears and eyes, which are attached using a magnet.

### NAUSZNE SŁUCHAWKI BLUETOOTH SETTY

Słuchawki Bluetooth marki Setty to akcesorium dla każdego fana muzyki, który pragnie poczuć więcej wolności! Produkt łączy się z telefonem, laptopem lub innym urządzeniem za pomocą technologii Bluetooth. Dzięki temu możemy zapomnieć o przeszkadzających, plączących się kablach. Słuchawki dobrze przylegają do uszu, przez co hałasy z zewnątrz są maksymalnie wyciszone. Wbudowany akumulator pozwala na kilka godzin bezprzewodowego słuchania muzyki, natomiast do jego naładowania możemy użyć dołączonego do zestawu kabla.
