FAST NETWORK CHARGER
65 W 1 x USB + 2 x USB-C

MXTC-08

OEM0101206

Maxlife's MXCC-04 20W car charger provides efficient and fast charging of devices while traveling in the car. It is the perfect solution for drivers who depend on a charged device, especially when using navigation.

The charger is equipped with two charging ports: USB and USB-C, giving you the ability to charge two devices simultaneously. It also comes with a Lightning cable, which can be used to charge Apple products. From the USB-C port, it supports fast charging based on Power Delivery (PD) and Quick Charge (QC) protocols.

MXCC-04 is not only about performance, but also about compact size and solid build quality. It will easily fit in any glove box or pocket, and its durable construction will ensure long life. The cable's length of 0.7 meters gives you the freedom to position your device while charging.

SPECYFIKACJA

Brand:	Maxlife
Producer:	TelForceOne
Power:	65W
Input voltage:	100 - 240V ~ 50 - 60Hz 0.8A
Output sockets:	1x USB + 2x USB-C
Output power:	USB-A: 5.0V ≈ 3.0A (15.0W), 9.0V ≈ 2.0A (18.0W)
USB-C1:	5V ≈ 3A 5.0V ≈ 3.0A (15.0W), 9.0V ≈ 3.0A (27.0W), 12.0V ≈ 3.0A (36W), 15.0V ≈ 3.0A (45.0W), 20.0V ≈ 3.25A (65.0W)
USB-C2:	5.0V ≈ 3.0A (15.0W), 9.0V ≈ 2.22A (19.98W), 12.0V ≈ 1.67A (20.0W)
USB-A + USB-C1:	57.0W (12.0W + 45.0W)
USB-A + USB-C2:	5.0V ≈ 3.0A (15.0W)
USB-C1 + USB-C2:	57.0W (45.0W + 12.0W)
USB-A + (USB-C 1 + USB-C 2):	60.0W (15.0W + 45.0W)

ATTRIBUTES

- Power 65W
- Fast charging
- Fast charging protocols
- For phone and laptop
- 3 output port 1x USB + 2x USB-C
