

CABLE USB-C/USB-C WITH NYLON BRAID

MXUC-08

OEM0101190

The Maxlife MXUC-08 cable provides fast charging and data transmission and is 1 meter long. It is braided with nylon, so it is less prone to tangles and breakage, making it a reliable companion for everyday use. It has reinforced connectors that provide greater strength and durability, resulting in a longer cable life.

The cable supports fast charging function, so you can quickly charge your device. It is compatible with a wide range of devices, such as phones, tablets, laptops and more.
