

FAST CHARGER USB - USB-C 20W + CABLE USB-C - USB-C 60W

CC-06

INDEX: GSM172992

The Forever PD QC CC-0 car charger with a 20W power rating is equipped with 2 ports - USB and USB-C, ensuring fast and efficient charging on the go.

The USB-C port supports popular fast charging protocols such as Power Delivery (PD) and Quick Charge (QC), allowing you to charge your devices even faster, saving valuable time.

Included with the charger is a 60W USB-C cable capable of fast charging various devices, including laptops, smartphones, tablets, and more. The charger is robustly constructed, and its compact size makes it easy to fit in any glove compartment or pocket. Its durable design ensures a long lifespan.
