

FAST CHARGER WITH USB + USB-C PORTS 20W

PD QC TC-06-20AC

INDEX: GSM171394
EAN: 5900495088659

Forever’s PD QC TC-06 network charger enables simultaneous and highly efficient charging of two devices at the same time. The 20W charger is distinguished by its comprehensive support for various fast charging protocols (such as Quick Charge and Power Delivery), ensuring not only speed, but also compatibility with a variety of devices. It features two ports - USB and USB-C.

The device uses an intelligent system based on the latest technological advances, which automatically adjusts the current parameters to the individual needs of each connected device. As a result, smartphones, tablets or other gadgets will be charged with optimal power, while minimizing the risk of overheating or overloading.

SPECIFICATION

Brand:	Forever
Producer:	TelForceOne
Input voltage	100 - 240V ~ 50-60Hz 0.5A
Power	20.0W
Output sockets	1x USB + 1x USB-C
USB output power	5.0V = 3.0A (15.0W), 9.0V = 2.0A (18.0W), 12.0V = 1.5A (18.0W)
USB-C output power	5.0V = 3.0A (15.0W), 9.0V = 2.22A (20.0W), 12.0V = 1.66A (20W)
USB + USB-C output power	5.0V = 3.4A (17.0W)

ATTRIBUTES

- 20W fast charging power
- Fast charging protocols
- Universal compatibility
- Two output port 1x USB + 1x USB-C
- LED diode
