

# BLUETOOTH KARAOKE SPEAKER

## MXKS-100

PINK - OEM0200496

WHITE - OEM0200497

Bluetooth karaoke set MXKS-100 is a fantastic companion for parties, consisting of a microphone and a Bluetooth speaker. Its solid construction and attractive design make the set not only practical but also aesthetically pleasing.

The speaker is equipped with a 1500mAh lithium polymer battery, allowing for approximately 5 hours of music playback. This is perfect for long karaoke sessions. The 6W power output of the speaker delivers deep sound that will surely liven up any party. Additionally, the speaker features a convenient carrying handle, making it an ideal companion for both indoor and outdoor events. An available 3.5mm AUX connector and SD card slot give you more flexibility in playing your favorite music, which is always at hand.

The wireless microphone is equipped with volume control buttons. It also has 4 voice modulation functions and an echo feature, allowing for experimentation during karaoke performances.

Bluetooth karaoke set MXKS-100 is an excellent solution for all music and karaoke enthusiasts. With its high-quality sound and portability, it is perfect for all kinds of parties and gatherings where music and singing take center stage.
