

PORTABLE THERMAL PRINTER

MXTP-100

PINK - OEM0200502

BLUE - OEM0200503

Handy portable printer for printing photos, drawings, notes, labels, downloads, stickers, etc.

Comes with a total of 5 rolls of thermal paper for printing!

Cheap to operate - no need to replace ink, just purchase thermal paper.

Can instantly print black and white photos from a smartphone.

Works with phones through the iPrint app (free download from the App Store and Google Play).

The app includes a drawing wizard, text editor, labels and banners.

Supports 57mm wide and 30mm thick thermal rolls.

It has a database with ready-made icons and drawings for printing. It can also serve as a text reader from photos, along with editing capabilities.
