

WIRELESS CHARGER 3in1

MXWC-03

OEM0101244

The Maxlife 3-in-1 wireless charger is an essential tool that will make charging your devices faster and more convenient. Its simple and minimalist design perfectly complements Apple devices, adding elegance to any interior.

This wireless charger is compatible with MagSafe devices such as iPhone and AirPods, as well as Apple Watch and all other devices with wireless charging capabilities. Thanks to independent induction coils, you can charge three devices simultaneously and separately without worrying about interference.

The charging power of this charger reaches up to 15W, ensuring fast and stable charging. Users no longer have to worry about cables or plugs; just place the devices on the charger, and they will start charging automatically.

The Maxlife 3-in-1 wireless charger is not only a practical tool but also a stylish addition to your desk or bedroom. Its compact size allows for easy portability and use at home or while traveling.
