

ULTRA TRENDS SPACE CASE

The Ultra Trendy Space case is a practical safeguard for your device and a stylish accessory that stands out among others. Crafted from high-quality 1.5mm thick TPU material, it ensures robust protection against scratches and drops, shielding your phone from everyday damages.

The smoky, semi-transparent color gives the case a unique character, and the intriguing pattern adds originality. Precise cutouts for the camera lenses and lens ensure not only protection but also the maintenance of full camera functionality. Additionally, all essential ports on the phone are easily accessible, thanks to accurately cut openings.
