CHEST HARNESS

WITH QUICK RELEASE CLIP

Adjustable chest harness for action and sports video cameras, allowing installation of the device on the chest. Quick connector contained in the set enables you to quickly mount the camera in braces.

In set:

- elastic braces with regulation and quick release clip
- quick release connector with GoPro mount

HEAD STRAP

WITH GOPRO SCREW MOUNT

Adjustable head strap allowing to mount the device on the head or helmet. Anti-slip on the inside, the headband guarantees a stable and secure attachment.

In set:

- elastic head strap with regulation

CAR HOLDER

WITH GOPRO SCREW MOUNT

Car holder for sport cameras with GoPro mount for quick installation of the device on flat and smooth surfaces. Thanks to strong suction cup the holder can be stably mounted on a windshield.

In set:

- car holder
- GoPro 1/4" screw mount

FLOATING HOLDER

WITH GOPRO SCREW MOUNT

Waterproof grip for sport cameras with GoPro mount. Hollow inside prevents the camera from sinking in case of dropping. Yellow colour allows you to easily locate the camera. Perfect for water sports.

In set:

- waterproof holder with GoPro mount
- GoPro long thumb screw
- wrist strap

JMP-100

JOY MONOPOD

55 cm

Adjustable up to 55 cm monopod for action video cameras and smartphones. Small and easy to carry, a perfect device for short and long trips!

BATTERY PACK

900 MAH SPARE ACTION CAMERA BATTERY

Additional battery with a capacity of 900 mAh will be a perfect energy backup for your journey.

In set:

- 900 mAh spare camera battery
